## Christmas Calendar Quilt

Creating Memories Winter Collection

Six different festive motifs have been designed to make this adorable Christmas calendar quilt. The wintry greys and greens of the Creating Memories fabric collection are wonderfully contrasted with warm pinks and burgundies. Vertical sashing pieces separate the blocks so each one can be appreciated. The calendar quilt is made with twenty-four Christmas motifs in total, but you could easily make it into a bed-size quilt by adding more blocks along the sides and at the top and bottom.

### Fabric Note

- Where a long eighth or long quarter of a yard is given in the Materials list you could use fat eighths or fat quarters instead. A fat eighth is assumed to be approximately 10½in x 18in (26.7cm x 45.7cm) and a fat quarter approximately 21in x 18in (53.3cm x 45.7cm).
- A smaller amount of backing fabric can be used, 3½yds (3.25m), if you don't mind the pattern on the fabric appearing rotated – see Step 4.
