Apple Cider Quilt

Creating Memories Winter Collection

This luscious quilt is so warm and welcoming thanks to the rich red and burgundy fabrics of the Creating Memories Winter Reds and Greens collection, which are perfect for a whole orchard of rosy apples. The apple blocks are easy to make and arranged in a simple horizontal row pattern, with the apples separated by sashing strips.

Fabric Note

Where a long eighth of a yard is given in the Materials list you could use a fat eighth instead, which is assumed to be approximately 10½in x 18in (26.7cm x 45.7cm).

* Fabrics marked with an asterisk need a minimum depth of 4½in (11.5cm), so if buying ⅛syd ensure it has been cut to at least that depth. A fat eighth would be better, to allow more fabric, so a fat eighth bundle would be ideal.

The Chambray fabrics can be cut in any direction for the most economical use.

Finished Size
