Flower Vase Embroidery Quilt

(Solids only)

This gorgeous quilt is on a similar theme to our popular Embroidery Flower Quilt, as it uses needlepoint as the inspiration. The quilt is also a wonderfully creative way of showcasing our beautiful solid fabrics. The design is made up of just squares in a single size, so there's lots of easy cutting. The piecing is straightforward and will give you plenty of practice at seam matching. The sky teal background is also pieced as individual squares rather than strips, to continue the appearance of an embroidery. We've also made a pieced backing for the quilt and instructions are given for making this if you choose this option.
