## Garden View Quilt (blue)

### Songbird Collection

The floral elegance of the Songbird fabric collection is perfect for this quilt, with the design evoking images of columned archways, allowing us to peer through into a lovely garden. Apart from using curved seams to create the archways, the techniques used are quite simple. This quilt uses predominantly yellows with elegant blues for the archways, but the quilt pattern is also available in pretty greens with warm coral archways.

### Fabric Note

Where  $\frac{1}{8}$ yd is given in the Materials list, a fat eighth is not suitable.

\* A little more fabric has been allowed for Fabrics 2, 5, 7 and 9, to allow for some choice in motif selection (such as a flower or bird).

\*\* More fabric has been allowed for Fabric 3 and Fabric 6, to allow for fussy cutting the rectangle to show a lady motif. If you don't want to fussy cut at all, then  $\frac{3}{8}$ yd (40cm) of each would suffice.
