

My Colorful Town Quilt

(Solids only)

Colourful is certainly an apt description of this wonderful quilt, where clever piecing creates the illusion of a vibrant town filled with multi-coloured houses. It looks complicated but is more straight forward than you might think, being made up of different units pieced together into columns. The quilt is a chance for the many wonderful colours in Tilda's Solids collection to shine.

Fabric Note

Because solid fabrics are being used, you can rotate the shapes as needed on the fabrics to get the best, most economical fit. Where a long eighth or long quarter of a yard is given in the Materials list you could use a fat eighth or a fat quarter instead. A fat eighth is assumed to be approximately 10½in x 18in (26.7cm x 45.7cm) and a fat quarter approximately 21in x 18in (53.3cm x 45.7cm).
