## Potted Flowers Pillow

Creating Memories Spring Collection

This charming pillow with its row of potted flowers looks so pretty made with the spring and Easter pastels from the Creating Memories fabric collection, although the design is so timeless it would suit any Tilda fabrics. The background for the flowers is a warm brown but you could easily use another Chambray colour.

### Fabric Note

All of the fabrics, apart from the background, use less than a 9in (23cm) square, so a fabric pack of 10in (25cm) squares would be ideal for this pillow.
