## Wallflower Pillows (Pine & Burgundy)

### Wallflower Collection

A large, comfy cushion is handy at the best of times, but especially if made as a companion to the Wallflower Quilt. This cushion has a lovely pine background coupled with soothing greens from the Wallflower collection and there are three other cushions to choose from. The Wallflower collection tells two colour stories – two of the cushions use the green, pink and red shades and two use the blue, thistle and caramel colours. The simple flower design is used to great effect in the nine four-patch blocks that make up the cushion layout.
