## Wallflower Pillows (Rosewood & Prussian)

### Wallflower Collection

A lovely plump cushion is perfect as a companion to the Wallflower Quilt and this cushion uses lots of lovely blues. There are four cushion designs showcasing the two colour stories of the Wallflower collection – two cushions use the blue, thistle and caramel colours, and two feature the green, pink and red shades. The simple flower design is used to great effect in the nine four-patch blocks that make up the cushion layout.
