

~25 Tilda Years~
Jubilee
 SPRING / SUMMER 2024

Oh, how time flies when you're having fun!

This year, Tilda turns 25 and to celebrate the occasion we have gathered festive fabric designs from different collections over the years to create the colorful Jubilee collection. Perfect for birthday and jubilee celebrations with reds and blues accompanied by teals, yellows and pinks.

The Circus Life design from the Circus 2017 collection has been redesigned in a Jubilee edition, and is matched up with a selection of designs with a similar handdrawn look going back to 2016. For the blenders we have chosen colorful versions of Farm Flowers from the 2020 collection Tiny Farm/Maple Farm.

The Jubilee collection projects also play on the birthday and celebratory theme. The Birthday quilt could be a sweet gift for a christening, or birthday present for a child. The delightful My Birthdayparty quilts and pillows make playful additions to a cool children's room. And the simpler Bunting quilts and Lollyflower pillows are great for jubilees, Fourth of July celebrations or 17 May (Norway's constitution day) picnics.
