Get ready for the Spring and Summer season with sweet florals and leisurely Sunday brunches in the garden.

Sunday Brunch is a softly colored vintage collection, where we have dusted off and renewed a few old romantic floral Tilda patterns. These are combined with a Sunday Brunch motif depicting friends sharing a lovely, laid-back brunch in the garden. The sweet Tipsy blenders complement the main collection perfectly.

This collection is great for soft and dreamy summer quilts and for creating the ultimate vintage summerhouse style. The color palette is gentle but with a dash of sour for freshness, with colors ranging from teal, green, soft greys and yellows to ginger, pinks, blues and sand.

With this collection we will release a selection of patterns for quilts and pillows recalling the joys of lazy summer Sundays. The charming Walk in the Park quilts and pillows feature trees, gazebos and birds, while My Sunday Best quilt and pillows have sweet summer dresses. Finally, there is the mouth-watering Spiked Lemonade quilt and pillows complete with citrus slices.

The explanations will be released on tildasworld.com the same day as the collection.
