

HIBERNATION COLLECTION - AUTUMN/WINTER 2023

Sleeping animals and nature motives is the theme for this year's autumn and winter collection, Hibernation. The designs are inspired by the Arts and Crafts movement with lighter elements on a dark background and a layered look, perfect for autumn and winter projects. Dusty colors such as nutty browns, hibiscus reds, blues and sage give the collection a timeless, vintage look.

Get ready for your own Hibernation feeling, safe and warm under lush quilts with motives from the Slumbermouse, Sleepybird and Squireldreams fabrics. The simple Hibernation blenders with eucalyptus and olive branches perfectly compliment the main collection, with some making great backgrounds.
