

TILDA MAPLE FARM AUTUMN 2020

Maple Farm

With beautiful, earthy fall pastels and a mix of patterns, Maple Farm is a versatile collection perfect for soft autumn quilts. Berries and leaves mixed with classic and retro florals in toned-down shades such as Umber, Slate, Dijon, Mauve and Rosehip give the collection a romantic farm look that inspired its name. Four new muted Solid Basics are a wonderful match for this and many other Tilda collections.

The farm theme also gave inspiration to a charming extra collection called "Tiny Farm" with a hand drawn farm, animals, tools, flowers and berries, optimally suited for projects for children. The flower and berry fabrics from Tiny Farm are also perfect blenders for Maple Farm.
